Current Young Professionals, a program of the Greater Green Bay Chamber, annually celebrates 15 area young professionals that are excelling in their careers and contributing positively to the Green Bay area. These young professionals will be honored at The Future 15

event to be held on February 23, 2017, at the KI Convention Center. Registration for this event is available at [events.titletown.org](http://events.titletown.org).

During the event three awards will be given to recipients chosen from an area pool of young professionals who have achieved in each category. These awards are the Young Professional of the Year, Young Entrepreneur of the Year, and Next Generation Best Place to Work.

Young Professional of the Year is awarded to an individual from the 15 honorees that has exhibited a commitment to the Greater Green Bay area through civic and business involvement. The recipient must show values that reflect Current, and show commitment to elevating Greater Green Bay by being involved in local organizations that positively affect the area.

Young Entrepreneur of the Year will be given to a young business owner whose business reflects and exemplifies a commitment to Greater Green Bay. The award looks beyond financial and monetary success, and looks at the positive impact they have had on the community as an entrepreneur.

Next Generation Best Place to Work is presented to a business that shows commitment to the development of young professionals, adapts work-life friendly policies, values generational differences and institutes attraction and retention initiatives for young talent.

Sponsorship opportunities are available at [events.titletown.org](http://events.titletown.org) or contact Andrea Tobias, Current Program Manager, at 920-593-3408 or [atobias@titletown.org](mailto:atobias@titletown.org)
