### **Goodwill NCW Makes Donating Easier With New Donation Center**

New Bellevue location open

Goodwill North Central Wisconsin (NCW), is proud to announce the Grand Opening of its newest Donation Center in Bellevue. This location joins 27 stores and donation centers and one outlet store in Wisconsin, from La Crosse to Eau Claire to Green Bay, the Fox Valley, Manitowoc and in between.

This opening supports Goodwill NCW's ongoing commitment to its community by making the act of donating more convenient. Like all donations to Goodwill NCW, donations collected at this new, high traffic site, fuel Goodwill NCW's mission of Elevating People by Eliminating Barriers to Employment.

"We take those gently used items and use them to help people skill-build so they can get a job, keep a job and become more financially stable", said Chris Hess, President and CEO of Goodwill NCW. "Having this many convenient locations also enables our community to help extend the life of items for responsible stewardship of the planet's resources."

Chamber dignitaries and Goodwill NCW President and CEO, Chris Hess are scheduled to make remarks. Media is invited to attend the ribbon cutting of this new location.
