Prevea Health and Vascular Care Now Available in Shawano
With Dr. Simil Gala at the Prevea Shawano Health Center

Shawano – Prevea Health is pleased to now offer heart and vascular care in Shawano, Wis. at the Prevea Shawano Health Center, located at 1300 E. Green Bay St.

Care is provided by Dr. Simil Gala, a fellowship-trained and board-certified interventional cardiologist. Dr. Gala’s key services include:

- Cardiovascular disease prevention and screening
- Management of coronary artery disease, valve disorders, heart failure and heart rhythm disorders
- Cardiac catheterization
- Coronary angioplasty and stenting
- Peripheral artery angioplasty and stenting
- Congenital heart defect repair
- Transcatheter aortic valve replacement (TAVR)
- Nuclear stress testing
- Echocardiography

Appointments with Dr. Gala at the Prevea Shawano Health Center can be made by calling (920) 272-1050.

“Treatment of cardiovascular disease is very dynamic with many innovative options including medications and minimally-invasive procedures,” says Dr. Gala. “As a cardiologist, my goal is to help patients and their families make educated decisions about their treatment plans. Growing up in Wisconsin, I am happy to have the opportunity to provide medical care to the residents of my home state.”

Dr. Gala also sees patients at Prevea health centers in Oconto Falls and Green Bay. He performs surgery at Prevea Health partner-hospitals, HSHS St. Vincent Hospital and HSHS St. Mary’s Hospital Medical Center in Green Bay.
