Green Bay – Prevea Health is pleased to welcome Dr. Musab Nusrat, a board-certified and fellowship-trained sleep and pulmonary medicine physician at the Prevea Allouez Health Center located at 1821 S. Webster Ave. in Green Bay.

Dr. Nusrat specializes in the following:
- Advanced pulmonary diagnostics, including:
  - Flexible bronchoscopy
  - Endobronchial ultrasound (EBUS)
- General pulmonary medicine
- Asthma
- Chronic obstructive pulmonary disease (COPD)
- Interstitial lung disease
- Occupational lung disease
- Pleural diseases and effusions
- Sarcoidosis
- Pulmonary hypertension
- Diagnosis and staging of lung cancer
- Sleep apnea and other sleep disorders
- Adult critical care

“I believe the proper diagnosis starts by listening to the patient,” says Dr. Nusrat. “Educating my patients about their condition is important so they can make informed decisions about their care. Together, we will use all available tools to create an individualized treatment plan.”

Dr. Nusrat graduated medical school at the University of Tripoli School of Medicine in Libya; he completed residency at Texas Tech University Health Science Center; and completed fellowships in pulmonary and critical care medicine at the Medical University of South Carolina and in sleep medicine at Wayne State University in Michigan. He is certified in internal medicine and pulmonary diseases by the American Board of Internal Medicine.

Appointments with Dr. Nusrat can be made by calling (920) 272-1240.
