It’s okay to play with your food!

The Einstein Project has found a perfect recipe for how to help young people learn about science, technology, engineering and math (STEM). Children learn by doing and at Einstein that is our specialty. During our 6th annual Dine for Einstein event we have partnered with local restaurants to raise money and spread the word about the importance of STEM education.

Here’s the buffet of options for you to join us in the celebration:

10/1 La Java - 2300 Lineville & 430 Cardinal, Howard
10/2 Happy Joe’s - 1675 E. Mason, Green Bay
10/3 Culver’s - 11820 Velp, Howard; 1499 Lawrence, De Pere; 909 Hansen, 2945 Voyager & 1219 W. Mason, Green Bay
10/4 Nicolet Restaurant - 525 Reid, De Pere
10/8 Los Banditos - 2335 W. Mason, Green Bay
10/9 Glass Nickel Pizza - 416 Dousman, Green Bay
10/10 The Creamery Downtown- 114 Pine, Green Bay
10/11 Nardi’s Affogato Gelato & Espresso - 109 N. Broadway, De Pere
10/12 Eddie Whipp’s – 5073 WI-29, Green Bay

Participating is a piece of cake - no flyers or coupons are needed; all customers are supporting the Einstein Project simply by dining out at these restaurants. Dine for Einstein was coordinated by summer interns (our “Bright Young Scholars”) at the Einstein Project.
