NeighborWorks Green Bay Announces a New Home in the Navarino Neighborhood

Green Bay, WI - NeighborWorks Green Bay will celebrate its latest new home construction in the Navarino Neighborhood and its 361st unit developed overall on Wednesday September 26th at 308 S. Quincy St. Green Bay from 5:00pm to 6:30pm.

The three-bedroom, single family, new construction home, will be open to the community for tours from 5:00 pm to 6:30 pm. The home currently has an accepted offer to purchase. “308 S. Quincy St. is a perfect example of NeighborWorks Green Bay’s mission to improve lives, enhance neighborhood character and provide housing choices. This event offers the community the opportunity to see how our work directly impacts neighborhoods.” said Noel S. Halvorsen, President and CEO of NeighborWorks Green Bay. The new home was constructed in part by Green Bay High School Students through Bridges Construction and Renovation Program. This project was completed in partnership with the City of Green Bay and the New Homes in Your Neighborhood Program. Primary project financing was provided through donor-sponsored Adopt-A-Home™ program and marks the 16th home built or renovated through this unique revitalization strategy.
