Alzheimer’s Association Fall Caregiver Conference – Green Bay
Education to help family & professional caregivers enhance skills & build support networks

Green Bay, WI – October, 23, 2018 – This annual forum features presentations from researchers, clinicians and care experts focused on helping professional and family caregivers enhance their caregiving skills and build stronger support networks. Alzheimer’s places an enormous emotional and financial burden on caregivers; thus, the goal of this forum is to help caregivers navigate this devastating disease while helping people with Alzheimer’s and other dementias maintain a comfortable and quality lifestyle.

Date: November 8, 2018
Location: The Rock Garden; 1951 Bond Street, Green Bay, WI 54303
Time: 8:00 a.m. – 4:00 p.m.

Presenters include Dr. Dorothy Farrar-Edwards, UW Madison, Department of Medicine and Neurology Professor exploring evidence based strategies to maintain a healthy brain. Stephanie Garland, NP from Neuroscience Group and more.

For the full agenda, cost and registration information, visit our website at https://www.alz.org/gwwi/events/green-bay-conference or call 800.272.3900.

Thank you to the following generous sponsors for making this event possible: Presenting – Assisted Living by Hillcrest; Platinum Level- Inspired Senior Healthcare Silver Level – Oak Park Place, Home Instead Senior Care, Helping Hands Caregivers LLC, Agewell Wisconsin

The Alzheimer’s Association is a national non-profit organization whose mission is to eliminate Alzheimer’s disease through the advancement of research; to provide and enhance care and support for all affected, and to reduce the risk of dementia through the promotion of brain health. For more information about Alzheimer’s disease and local services visit www.alz.org/gwwi or call the Alzheimer’s Association 24/7 Helpline at 800-272-3900.
