Element Promotes Molly Wentworth to Traffic Manager
Wentworth has been a part of the Element team for over three years

DE PERE, Wis. – Element, a full-service advertising and web development agency with two locations in Northeast Wisconsin, is proud to announce that Molly Wentworth has been promoted from account assistant and front desk coordinator to traffic manager.

A traffic manager is essential to the success and organization of any agency. Wentworth will be responsible for managing Element’s workflow and overseeing the production of almost all design and web projects, which sometimes equates to 50 simultaneous projects.

Wentworth joined Element in May 2015 and graduated from Grand Valley State University with a bachelor’s degree in photography and advertising. Learn more about Wentworth in the newest Element blog post.
