What does it take to generate more than \$3.4 million in volunteer work hours? Dedicated community leaders. On April 4, 2019, Leadership Green Bay will hold its fifth annual Legacy of Leadership celebration and fundraiser.

Your contribution will enable our program to continue to make the Greater Green Bay area one in which we are proud to live and work. All money raised from this event goes directly to Leadership Green Bay, which is part of the Greater Green Bay Chamber's 501(c)3 Foundation, enabling it to continue its mission of Inspiring leaders to enrich the community.

Nearly all of the Greater Green Bay area non-profits include at least one Leadership Green Bay graduate on their committees and boards. These alumni volunteer their time and talents to enhance the place we call home. For nearly 35 years, Leadership Green Bay has positively impacted our community by creating a strong infrastructure of leaders and completing more than 160 community projects.

We invite your organization to play a major role in the success of our event by providing a donation of a tax-deductible item that will be used in the silent auction or live auction during the event. Your donation will be recognized during the event.

Thank you for your consideration. Pledge forms and donated items are due by **Friday, March 15, 2019.**
