LaForce is proud to announce that our annual Community Campaign raised over $34,000 for local Wisconsin charities. The Community Campaign is held in September, and each year our employees select local non-profit organizations to raise funds for while learning about their mission. Donations are raised through various company-wide events such as raffles, games, and lunches, as well as a corporate donation from LaForce.

This year, the Green Bay office raised over $31,000 for Eye Heart World, a local charity that provides aftercare resources for trafficking victims, prevention for at-risk, and training for the community. In addition, the Appleton team raised over $500 for Saving Paws Animal Rescue, and the Madison office raised over $1,700 for the Badger Honor Flight. The Milwaukee team raised over $1,000 campaign for Zachariah’s Acres.

The success of the Community Campaign would not have been possible if it weren’t for our generous employees and community partners who donated giveaways to support our fundraising goals. Thank you to our 2018 local sponsors and business partners:
