# LEADERSHIP

Join the Greater Green Bay Teen Leadership program.

**Our mission:** To build and strengthen emerging young leaders with skills, knowledge and experiences that prepare them to be effective partners for positive change in the Greater Green Bay area.

### About the program:

We host monthly leadership sessions to encourage thoughtfulness, facilitate discussions, practice leadership skills and learn about local community initiatives.

### Student experiences:

Teen leaders experience many aspects of the Greater Green Bay area and have the opportunity of speaking with elected officials, business CEOs, non-profit managers, members of law enforcement and other community leaders.

### Community projects:

Teen leaders conquer community challenges by working together in small groups to complete community impact projects that the groups are passionate about.

### Apply now:
