Help for the Homeless Hygiene Drive
Feb. 18 - March 11

The Family Radio Network invites you to help stock the personal hygiene shelves of your local crisis programs so that they can dedicate their limited financial resources to providing qualified personnel, safe housing, food, education, and counseling to those they serve.

Our goal is to supply each program with a year’s worth of product. You can help!

Note: Hygiene & cleaning items are not covered by FoodShare (Food Stamps).

Donate at: Festival Foods, Shopko, Walgreens

Thanks to 800+ participating employers, churches, and schools for filling collection boxes of their own!

Donations stay in communities where they are collected.

- “It is a bittersweet thing to see tears of gratitude for a bottle of shampoo and a stick of deodorant; like the homeless woman who whispered her thanks with great relief, saying she wouldn’t have to be embarrassed by the way she looked or smelled any more. It is a beautiful thing to see how a little thoughtfulness and a couple of dollars can touch the heart of someone in need. Gestures of kindness for people who are just hanging on, day-by-day, provide the measure of hope and self-respect they need to keep going.” – LSS Wellspring

- “It’s not unusual for middle and high school students to miss school because they’re embarrassed about the way they look or smell. The shampoo, laundry soap, and deodorant you donate prevents children from being picked on for smelling bad or having dirty clothes, and helps them stay in school.” – School Social Worker

- “He had nothing. We were able to give him clothing, soap, toothpaste, toothbrush, shaving cream, razor and a hot lunch. He wanted to be prepared for job searching the next day. He was so happy, but most of all thankful – the tears in his eyes said it all, along with his very emotional ‘thank you.’” – The Salvation Army
