Matthews Tire to Host Oil Change for the Better April 22-27, 2019
Proceeds will support WisconSibs, a non-profit for siblings of kids with disabilities.

APPLETON, Wis. (March 26, 2019) – Matthews Tire is hosting their 14th Oil Change for the Better event April 22-27, 2019. For every regular priced oil change performed throughout the week at all six locations (in Appleton–East and West, Menasha, Waupaca, Fond du Lac and Green Bay), Matthews Tire will donate $10 to WisconSibs, a local non-profit that provides programs and resources to siblings of kids with disabilities.

“We are excited to learn that WisconSibs will benefit from Oil Change for the Better! What a fitting name to support what WisconSibs is all about,” Executive Director Harriet Redman shared. “When a family learns that one of their children will be living with a disability, it can be devastating for not only parents, but siblings too. But with peer support, information, and connections to local resources, the lives of siblings can change for the better,” she added.

Money raised through Oil Change for the Better will help fund WisconSibs popular summer camp programs and other new initiatives to support siblings of kids with disabilities. “WisconSibs is a great organization doing important work right here in northeast Wisconsin,” shared Matthews Tire President Trevor Rezner. “We’re proud to, not only support this organization, but help bring awareness to their cause as well.”

Oil Change for the Better is a semi-annual, weeklong charity event held by Matthews Tire. This April will be the fourteenth Oil Change for the Better event. In the last seven years, Matthews Tire has raised $40,455 for various local nonprofits including Fox Valley Humane Society, Make-A-Wish Foundation, Salvation Army, Disabled American Veterans Transportation Program, Catalpa Health’s Race for a Reason, Big Brothers Big Sisters, Old Glory Honor Flight, Saving Paws Animal Rescue, Walleyes for Kids, Leukemia and Lymphoma Society, Child Care Resource & Referral and SOAR Fox Cities.

WisconSibs, Inc. is a 501(c)(3) organization that connects siblings of people with disabilities with each other, and with resources to help them throughout their lifelong journey. In northeastern Wisconsin, it provides Sibshops® and camps for girls and boys, and future planning and social events for families. Statewide, its services include web content, consulting, coaching, future planning, and conference presentations. WisconSibs is a member of the Wisconsin Family and Caregiver Support Alliance. Nationally, it is the Wisconsin chapter of the Sibling Leadership Network. It is on the web at www.wisconsibs.org.

Matthews Tire is a locally owned tire and automotive service provider with locations in Appleton–East and West, Green Bay, Menasha, Fond du Lac and Waupaca. The last Oil Change for the Better event was held in October and raised $5,020 for SOAR Fox Cities. For more information, visit matthewstire.com.
