YPWeek Pocket Park on Broadway

GREEN BAY, WI – On Broadway, in collaboration with YPWeek, is building a pocket park in the Broadway District Thursday, April 25. Volunteers will put the park together from 8 a.m.-12 p.m. at 325 N Broadway.

A pocket park is a small park accessible to the general public and is often built on vacant lots or irregular pieces of land. This pocket park will be a temporary park that will stay up until fall.

The Pocket Park on Broadway will include parklets, trees, seating, gaga ball pit, outdoor chalkboard, solar charging station, and other activities. All are welcome and encouraged to utilize the space.

YPWeek is a week-long platform for discovery, adventure and meaningful conversations about the issues that matter among young professionals. The activities engage the next generation in experiences that are important to young professionals while educating employers on the important role these functions play in retaining their workforce.
