Peeters, Thern Join Hoffman Team

(Appleton, Wis.) – Hoffman Planning, Design & Construction, Inc. is pleased to share the hiring of Kurt Peeters as project architect and Gina Thern as a designer.

Peeters is a graduate of the University of Wisconsin-Milwaukee with experience as a designer, architect, and senior architect/technology leader. A registered architect, Peeters is a member of AIA (American Institute of Architects) and is involved with the AIA Architect Mentor Program.

As a project architect, Peeters works with clients from the start of the project through completion, managing various design-related activities, including planning and programming, design development, and construction administration.

Thern joins the Hoffman team after serving as an architectural drafter at Corcoran Glass & Paint. Thern is a graduate of the University of Wisconsin-Milwaukee where she earned her bachelor’s degree in Architectural Studies. She brings more than five years’ experience to her new position at Hoffman.

Thern works closely with the project architect in producing design documents and is also responsible for civil, structural, mechanical, electrical, and plumbing coordination.

Media note: photos of Peeters and Thern are attached to this email.
