Sports Physical Examinations
All proceeds benefit area schools’ athletic departments

Green Bay – St. Gianna Clinic is now scheduling appointments for sports physicals with family medicine physicians, Dr. Scott Stillwell and Dr. Charles Cassidy.

Sports physical examinations ensure student-athletes are healthy and ready to compete, and are required for athletes wanting to participate in a Wisconsin Interscholastic Athletic Association (WIAA) sport.

St. Gianna Clinic will offer appointments throughout the month of July for $20. The money will be donated back to the athletic department of the school the athlete/patient plays for. Sports physical examination appointments are available on the following dates and times:

- Tuesday, July 9, from 8 a.m. to 12 p.m.
- Wednesday, July 17, from 1 to 4 p.m.
- Thursday, July 25, from 1 to 4 p.m.
- Wednesday, July 31, from 1 to 4 p.m.

St. Gianna Clinic is often able to accommodate same-day appointments. It is located at 1727 Shawano Ave., across the street from HSHS St. Mary’s Hospital Medical Center in Green Bay. Appointments can be made by calling (920) 884-3590. Students should bring their WIAA sports physical form with them, as it will need to be signed by a physician.
