FOR IMMEDIATE RELEASE

Dr. Lee W. Hash and Dr. Joseph McCormick join OSMS

APPLETON, WI (June 11, 2019) — Orthopedic & Sports Medicine Specialists (OSMS) is pleased to announce the hiring of orthopedic surgeons Dr. Lee W. Hash and Dr. Joseph McCormick effective July 1, 2019. This is a result of a joint venture between Ascension Wisconsin and OSMS to expand orthopedic services in the Fox Valley. Dr. Hash and Dr. McCormick will continue to see patients at the Ascension NE Wisconsin – St. Elizabeth Campus in Appleton.

Board-certified Dr. Lee W. Hash specializes in orthopedic care, specifically sports-related injuries, joint replacement and fracture care. He has over 30 years of experience as an orthopedic surgeon and is a member of the American Academy of Orthopedic Surgeons.

Dr. Hash earned his medical degree from the University of Iowa College of Medicine in Iowa City, Iowa and achieved his orthopedic surgery residency at Albany Medical Center in Albany, NY.

“My goal is to help my patients be as physically active as they would like,” Dr. Hash says. “So, I weigh all the options, communicate them to my patients, and together, we come up with a treatment plan that best suits the situation and patient in the short-term, and will create the best results in the long run.”

Dr. Joseph McCormick also specializes in orthopedic practices, with specialties lying in joint replacement, sports-related injuries and pediatrics. He earned his medical degree from the Medical College of Wisconsin in Milwaukee, Wisconsin and served his residency in orthopedic surgery at the University of Colorado Health Sciences in Denver, Colorado.

Dr. McCormick is also a member of several organizations, including the American Academy of Orthopedic Surgeons, the American Academy of Hip and Knee Surgeons and the American College of Sports Medicine.

“Building relationships with my patients is extremely important to me,” Dr. McCormick says. “Getting to know where they want to be in life motivates me even more to create custom solutions that will get them there. It’s a complete joy knowing I’ve been a part of their return to the lifestyle they wished for.”
