MAYO CLINIC
Keynote - LeRoy Butler spent his childhood in Jacksonville, Florida, challenged by physical problems that forced him to wear leg braces and use a wheelchair. Doctors predicted that he would be lucky if he ever walked normally. He went on to a NFL career as a strong safety for his entire career with the Green Bay Packers where he was known for his determination, grit and positive attitude both on and off the field.

Geralyn Datz, Ph.D. is President & Clinical Director of Southern Behavioral Medicine Associates. She is a licensed clinical psychologist who specializes in behavioral medicine, providing assessment and treatment of physical and mental health problems.
