Prevea Welcomes Dr. Kristin Lyerly
OB/GYN at the Prevea St. Mary’s Health Center in Green Bay

Green Bay — Prevea Health is pleased to welcome Dr. Kristin Lyerly, a board-certified OB/GYN, to the Prevea St. Mary’s Health Center located at 1715 Dousman St. in Green Bay.

Dr. Lyerly provides care for women of all ages, including routine and high-risk pregnancy care, and gynecology services including menopause care, yearly physicals, contraception and family planning, and the treatment of abnormal bleeding, abnormal Pap Smears, endometriosis and fibroids. She also specializes in robotic surgery and a minimally-invasive approach to gynecologic surgical services including hysterectomy and hysteroscopy, and tubal ligation.

“There are no ‘one size fits all’ solutions in medicine,” says Dr. Lyerly. “What works for one woman, in the context of her life, may not work for another. I strive to listen to each woman, to offer evidence-based solutions and create a thoughtful care plan that addresses her concerns.”

Dr. Lyerly is from Kaukauna, and graduated medical school at the University of Wisconsin School of Medicine and Public Health. She completed residency in obstetrics and gynecology at the University of Wisconsin – Madison and is certified by the American Board of Obstetrics and Gynecology.

Appointments with Dr. Lyerly can be made by calling (920) 405-1430, or online at: www.prevea.com
