What is Wet Whistle Wine Fest? It is a wine fest unlike any other that takes place along the lakeshore in beautiful Algoma, Wisconsin. Wet Whistle Wine Fest is also a collaboration event between the Community Improvement of Algoma and von Stiehl Winery. This two-day festival is packed full of wine; red, white, rose, semi-sweet, dry, you name it we will have it. Not a big wine drinker, not an issue. Wet Whistle has something for everyone, including ciders, beer, and soda. Food is also for sale with proceeds benefiting the Algoma Fire Department. Make sure you head over to von Stiehl Winery just an alley walk away to sample all of their wines as well.

We can’t forget about the great music from Bazooka Joe, Annie Rose Band, and Big Mouth and the Power Tool Horns. Plus, grape stomping and of course a great time.
