WORKPLACE VIOLENCE SAFETY

Overall, roughly 2 million workers a year are affected by some form of workplace violence. That’s an estimate from the Occupational Health and Safety Administration and includes everything from verbal abuse to physical assaults to homicide.

Todd Priebe, former Sheriff of Sheboygan County, will conduct training in 4 key areas:

1. Management Policy Training
2. Workplace Violence
3. Responding to an Active Shooter
4. Facility Security/Employee Safety Assessment

Classes are available three dates/three locations:

Friday, September 27
Green Bay Campus

Friday, October 4
Marinette Campus

Friday, November 8
Sheboygan Campus
