OSMS welcomes new orthopedic surgeon and orthopedic foot and ankle specialist

GREEN BAY, WI (August 28, 2019) — Orthopedic & Sports Medicine Specialists (OSMS) is pleased to announce the hiring of orthopedic surgeon Dr. William Albiero and orthopedic foot and ankle specialist Dr. Karl Henrikson. Dr. Albiero will be seeing patients at the Ascension NE Wisconsin – St. Elizabeth Campus in Appleton due to the joint venture between Ascension Wisconsin and OSMS. Dr. Henrikson will be providing care at OSMS’ Green Bay and Marinette clinics.

Dr. Albiero is a Wisconsin native who earned his undergraduate and medical degrees at the University of Wisconsin – Madison. He completed his residency at the Cleveland Clinic in Akron General (Akron, Ohio) and recently finished his fellowship in sports medicine at TRIA Orthopedic Center in the Minnesota Twin Cities.

Dr. Albiero is well-versed in all areas of orthopedic care and takes special interest to sports medicine injuries. He is a member of the American Academy of Orthopaedic Surgeons and the American Orthopaedic Society for Sports Medicine.

“I put myself in my patients’ shoes because I’ve been in their shoes before,” Dr. Albiero says. “I focus on getting to know their concerns and goals and then work together with the patient to create a personalized treatment plan.”

Dr. Karl Henrikson joins OSMS from the east coast; he earned his medical degree at the University of Massachusetts, completed his residency at the University of Pittsburgh Medical Center and finished his fellowship in foot and ankle surgery at Penn State Hershey Medical Center in Pennsylvania.

Dr. Henrikson is able to treat most orthopedic conditions, although his specialty lies in foot and ankle treatment. He is a member of the American Academy of Orthopaedic Surgeons and the American Orthopaedic Society for Sports Medicine.
“I want to give that message of hope to patients and help them overcome their pain or discomfort,” Dr. Henrikson says. “I will always advocate for my patients and provide the best possible treatment plan.”
