Prevea Welcomes Dr. Joseph Chabot
Neurosurgeon now seeing patients in Green Bay

Green Bay – Prevea Health is pleased to welcome Dr. Joseph Chabot, a neurosurgeon, to its family of care.

Dr. Chabot treats brain, spine and peripheral nerve conditions with a special focus on treatment of tumors and vascular lesions of the central nervous system. He utilizes advanced techniques in minimally invasive brain and spine surgery, with an emphasis on endoscopic skull base surgery. A complete list of Dr. Chabot’s services can be found here. He sees patients at the Prevea Allouez Health Center, 1821 S. Webster Ave., and performs surgery at HSHS St. Vincent Hospital in Green Bay.

“I strive to teach patients what to expect from both surgical and nonsurgical options so they can make an educated decision,” says Dr. Chabot. “I also try to get them back to their families and normal life as soon as possible. From a professional perspective, I keep up on emerging technologies so I can offer patients state-of-the-art care.”

Dr. Chabot graduated medical school at Michigan State University College of Osteopathic Medicine, completed a neurosurgery residency at North Shore University Hospital, Long Island Jewish Medical Center, a fellowship in open and endoscopic cranial base surgery at the University of Pittsburgh Medical Center. He is certified by the American Osteopathic Board of Surgery.

Appointments with Dr. Chabot can be made by calling (920) 272-3333.
