St. Gianna Clinic Welcomes Dr. Stephanie Grosvenor

Green Bay – St. Gianna Clinic welcomes Dr. Stephanie Grosvenor, a board-certified obstetrician/gynecologist.

Dr. Grosvenor sees patients at St. Gianna Clinic, 1727 Shawano Ave. in Green Bay, for routine women’s care, pregnancy care, high risk pregnancy care, menopause care and osteopathic manipulative therapy. She also specializes in the diagnosis and treatment of gynecologic and reproductive health conditions using the Creighton Model FertilityCare System and NaProTECHNOLOGY, including:

- Infertility
- Premenstrual syndrome (PMS)
- Ovarian cysts
- Polycystic ovarian syndrome
- Endometriosis
- Repetitive miscarriages
- Postpartum depression
- Hormonal abnormalities
- Cooperative progesterone therapies
- Thyroid dysfunction

Dr. Grosvenor also performs minimally-invasive surgery at HSHS St. Mary’s Hospital Medical Center and HSHS St. Vincent Hospital in Green Bay, including endometriosis resection and hysterectomy.

“I am fortunate to practice medicine in an environment that allows me to embrace my faith both personally and professionally,” says Dr. Grosvenor. “It is important for me to care for patients in ways that do not suppress their natural hormones and to support women who utilize fertility awareness-based methods.”

Dr. Grosvenor graduated medical school at Michigan State University College of Osteopathic Medicine and completed residency in obstetrics and gynecology at Metro Health Hospital in Grand Rapids, Mich. She is certified by the American Academy of FertilityCare Professionals as a FertilityCare Medical Consultant, and as a Marquette Method Medical Consultant by the Marquette University College of Nursing Institute for Natural Family Planning.

Appointments with Dr. Grosvenor can be made by calling (920) 884-3590.
