GREEN BAY, WI (10/31/2019) – Greater Green Bay Habitat for Humanity will host its fifth annual RePurpose for a Reason fundraiser on Thursday, November 14 from 6-8 p.m. at Badger State Brewing Co. (990 Tony Canadeo Run, Green Bay, WI 54304). The event is open to the public with $5 admission and features raffle items and live music. Money raised goes back to Habitat to build homes, communities, and hope in Brown County.

The highlight of the event is the silent auction, which consists of repurposed, refurbished, or artist-based items that have been created by do-it-yourself enthusiasts and creative community members. Many of these items feature treasures that were originally found at the Green Bay ReStore.

A special thank you to our major event sponsors, Fox Communities Credit Union and Wisconsin Public Service (WPS).
