Oral Health Partnership Administrative Office Open House

(Green Bay, WI) The Oral Health Partnership announces an open house to show off its new administrative headquarters at 1245 Main Street. The administrative team moved in July after making renovations to the new space. This location houses approximately 20 employees, with room to set up three dental stations for a planned clinic in 2020.

The Oral Health Partnership (OHP) has grown over the last 14 years and now serves the dental needs of nearly 10,000 children annually who are on Medicaid or who are uninsured. The new, larger space is in a convenient location near OHP’s three existing clinics and is more easily accessible for OHP’s clients.

The open house will take place Monday, November 4th from 4 to 7 p.m. Everyone is invited to tour the new space and see the renovations to the historic building at the corner of Main and St. George Streets. Light refreshments will be served. Parking is available with in back of the building or across St. George Street in the Main Street Commons lot.
