Nature's Way is growing! Will host Green Bay Hiring Event

FOR IMMEDIATE RELEASE

February 10, 2020

(Green Bay, Wis.) Nature's Way, a leading international producer of high-quality supplements, vitamins and herbal remedies, is hosting a hiring event on February 26, 2020 from 10 a.m. to 4 p.m. located at 3466 E. Mason Street, Green Bay.

"We've been fortunate to be growing as a company, and this job fair is an opportunity for us to fill immediate openings as well as adding to our pool of talent for future growth," said Jeff Satterburg, Director of Human Resources at Nature's Way. Positions are available in a variety of areas including manufacturing, packaging, warehouse and sanitation. Prior experience in manufacturing is preferred, but not required.

"Our employees take pride in knowing they are part of company whose products make an impact on people's health and well-being," added Satterburg. "Plus, we have an international reach. While our products are locally manufactured, they are distributed globally."

In addition to making a meaningful impact on people's lives, Nature's Way employees enjoy competitive pay, day-one health benefits, 10 annual paid holidays, Paid Time Off (PTO), a clean and stable work environment, opportunities for career advancement and training, pay increases, on-site wellness offerings, and more.

Nature's Way representatives will be available to answer questions about the company, as well as discuss open positions and job qualifications.
