## **Greater Green Bay Habitat for Humanity to dedicate 118<sup>th</sup> home**

**GREEN BAY, WI (February 11, 2020)** – Greater Green Bay Habitat for Humanity will hold a home dedication for the Moua/Thao family on Thursday, February 13th at 4:00 p.m. at the home, located at 1655 Debra Lane. Dedications are open to the public and include a short program featuring speakers, a key presentation, and a reflection from the new homeowners.

This family of seven was living with Kou's family in a very overcrowded home. Kou and Mai had dreams of a bigger place with space for their young children. They wanted something that was truly there for their kids to grow up in. They're so excited to be partnering with Habitat!

“As a family, our hopes and goals are to grow and appreciate each other. Owning a home means everything to our family, because we have worked hard for this dream of becoming homeowners.” - Kou Moua & Mai Thao

This is the 118<sup>th</sup> home Habitat has built and sold to a qualified homebuyer in Brown County. Homeowners have a zero-interest and affordable mortgage that is made possible through generous donations of money, materials, and volunteer labor.

A special thank you to the sponsors on this home including: : Leonardo Da Vinci School for Gifted Learners, Ameriprise Auto & Home, US Bank, Richard & Mary Kasper, Larry & Debbie Frazier P&G, and Robinson Family Foundation.

Join us and witness the positive impact of Habitat for Humanity homeownership in our community. For more information about Habitat, visit our website [www.greenbayhabitat.org](http://www.greenbayhabitat.org).

### **About Greater Green Bay Habitat for Humanity**

Greater Green Bay Habitat for Humanity is part of a global, nonprofit housing organization operated on Christian principles that seeks to put God's love into action by building homes, communities, and hope. Greater Green Bay Habitat for Humanity is dedicated to eliminating substandard housing in Brown County through constructing, rehabilitating, and preserving homes. Since founding in 1987, they have built 118 homes in partnership with hardworking families in the community. Please visit [www.greenbayhabitat.org](http://www.greenbayhabitat.org) for more information.
