## EggStravaganZoo, Party for the Planet Events Cancelled

The NEW Zoo & Adventure Park is disappointed to announce that this year's annual springtime events, **EggStravaganZoo** and **Party for the Planet**, are cancelled as a result of the COVID-19 business closures. These events were originally scheduled for April 11<sup>th</sup> and 25<sup>th</sup>, respectively.

We are fully aware that these events are part of your family traditions, and that they are "staples" in the lives of so many people in our community. We will miss having everyone at the Zoo as much as you will miss being here! We plan to hold a "zooper-duper" grand reopening event in the future, as soon as the Zoo can open once again. Stay tuned for more information on that event!

During this period of closure, our Animal Care team members are still working full-time to feed and care for the animals. They are, of course, our highest priority, and we are not wavering in our commitment to provide our animals with the same high level of quality care they've always received. It's the level of care we are known for, and which has earned us national accreditation by the Association of Zoos & Aquariums.

From all the staff (and the animals!) here at the NEW Zoo & Adventure Park, we miss you and look forward to seeing you back here soon. In the meantime, consider following our social media pages, including [Facebook](#), [Instagram](#), and [Twitter](#), to keep up-to-date with what's going on at the zoo. You can even visit our [YouTube Channel](#) for a livestream of the otter pond – watch them eat breakfast each morning around 7:00 a.m. and lunch each day around noon!
