The Marq Banquet & Catering Announces Permanent Closure

(May 19, 2020) – The Marq Banquet & Catering in De Pere announced today it has closed permanently due to uncertainty surrounding the COVID-19 pandemic.

The venue closed temporarily in March when Wisconsin's Safer-at-Home order became effective. General Manager Terry Thetford had hoped the venue would eventually reopen.

"This pandemic has hit many industries hard, especially in the events and catering sector," Thetford said. "We explored many potential options for re-opening and ultimately came to this difficult decision. We are fiscally unable to continue operations while ensuring the safety of our clients and team members."

Clients who had events scheduled at The Marq as well as vendors have been notified. Thetford added that all parties who had upcoming events scheduled at The Marq will receive a refund for their full deposits.

"We are doing everything we can to serve these clients and to help our team members find new employment," he said.
