Prevea welcomes urologist, Dr. Andrew Radtke Now caring for patients in Green Bay and Sturgeon Bay

Green Bay – Prevea Health is pleased to welcome [Dr. Andrew Radtke](#), a fellowship-trained urologist to its family of care.

Dr. Radtke specializes in the following:

- Treatment of kidney, bladder and prostate cancer
 - Retroperitoneal partial nephrectomy
 - Retzius-sparing robotic radical prostatectomy
- Treatment of enlarged prostate
 - [UroLift®](#) for BPH
 - Robotic simple prostatectomy
- Treatment and management of kidney stone disease
- Vasectomy

“When treating my patients, I address their urologic health needs in addition to any social, environmental and lifestyle factors that can cause disease,” says Dr. Radtke. “By taking time to discuss the factors that can significantly impact their experience before, during and after a procedure, we can address any concerns right away.”

Dr. Radtke sees patients in Green Bay at the Prevea Allouez Health Center, 1821 S. Webster Ave., and at the Prevea St. Mary’s Health Center, 1715 Dousman St.; and in Sturgeon Bay at Prevea Health at Door County Medical Center, 323 S. 18th Ave. Appointments with Dr. Radtke in Green Bay or Sturgeon Bay can be made by calling (920) 436-1359.

Dr. Radtke earned his medical degree at the University of Wisconsin School of Medicine and Public Health, completed residency in urologic surgery through the Medical College of Wisconsin, and completed a fellowship in robotic surgery and endourology through Loyola University Medical Center.
