### **Reich joins Marketing Department; Liebergen joins Flooring Division**

*Reich to hold role in Marketing Department, Liebergen in Residential Flooring Division*

Green Bay, Wis. – Abby Reich and Mason Liebergen have recently begun new roles at H.J. Martin and Son.

**Reich** will work in the company's marketing department as a Marketing Coordinator. In that position, she will assist with H.J. Martin and Son marketing projects and help meet the growing needs for the marketing agency, Martin Communications, which services businesses throughout Green Bay and the Fox Valley. Before coming to H.J. Martin and Son, Reich served as a wedding and special events intern at the Paine Art Center and Gardens. In her role, she helped with the coordination and implementation of special events.

Reich is a recent graduate of UW Oshkosh with a bachelor's degree in Public Relations and Communication Studies.

**Liebergen** is joining the expanding Residential Flooring division after previously working as a residential flooring installer with H.J. Martin and Son for four years. The duties of his new position include measuring and estimating for apartments and new construction homes. Liebergen's experience and drive were a great fit to fill the growing needs of estimating and measuring in H.J. Martin and Son's flooring divisions.

Liebergen attended UW-Milwaukee for two years and graduated from Green Bay Southwest High School in 2007.
