Prevea welcomes orthopedic and trauma surgeon, Dr. Michael Florack Now caring for adults and children in Green Bay

Green Bay – Prevea Health is pleased to welcome [Dr. Michael Florack](#), a fellowship-trained orthopedic and trauma surgeon now seeing patients at the Prevea Allouez Health Center in Green Bay.

Dr. Florack specializes in comprehensive orthopedic and trauma care for adults and children. This includes the evaluation and treatment of arthritis; acute muscle, bone or joint injury; chronic muscle, bone or joint pain; sports and athletic injuries; trauma and fracture injuries; and work-related injuries. He also specializes in orthopedic surgery, such as arthroscopy for rotator cuff injuries and carpal/capital tunnel; cartilage restoration, repair and replacement; complex fracture care; joint reconstruction and replacement including hips, knees and shoulders; and ligament and tendon repair.

“I believe in taking care of every patient like they’re my family,” said Dr. Florack. “The complexities of musculoskeletal care require an individualized approach that respects each patient’s autonomy and unique situation. Everyone deserves the opportunity to be made well again.”

Dr. Florack joins a team of highly-skilled orthopedic surgeons at Prevea Health, which also includes his father, [Dr. Thomas Florack](#). Dr. Michael Florack earned his medical degree at Tulane University School of Medicine in New Orleans, completed residencies at the University of Washington in Seattle and Allegheny Health Network in Pittsburgh, and completed a fellowship in Orthopaedic Traumatology at Campbell Clinic in Tennessee.

Appointments with Dr. Michael Florack at the Prevea Allouez Health Center, 1821 S. Webster Ave., can be made by calling (920) 272-3300. Dr. Florack performs orthopedic surgery at HSHS St. Vincent Hospital and HSHS St. Mary’s Hospital Medical Center in Green Bay.
