ELEVATE97 PROMOTES COURTNEY TREPANIER TO PROJECT EXECUTIVE

GREEN BAY, WI, October 1, 2020 — Elevate97, a brand solutions company delivering print, fulfillment, technology and design, announces the promotion of Courtney Trepanier to Project Executive.

In her new role as Project Executive, Trepanier will manage and build several key client relationships and all associated projects including budgets, resources, and deliverables. She first joined Elevate97 in 2017 as a Project Manager of Environmental Graphic Design (EGD) and has been responsible for allocating project resources and managing the production through final installation of all mid-to-large EGD projects for a wide variety of clients. Prior to her career at Elevate97, Trepanier served as facility designer and project manager for Schneider.

Trepanier holds a master's in business administration from St. Norbert College and a bachelor's degree in interior design from Iowa State University. She is a 2018 graduate of the Leadership Green Bay program and currently serves on the St. Norbert College Alumni Board.
