Prevea welcomes Dr. Stacey Gruber

Neurologist now caring for patients in Green Bay and Sturgeon Bay

Green Bay – Prevea Health is pleased to welcome [Stacey Gruber, MD](#), to its family of care.

A board-certified neurologist, Dr. Gruber specializes in comprehensive medical history and neurological examination, multiple sclerosis and Botox injections for headache, cervical dystonia and hemifacial spasm.

She cares for patients at Prevea Allouez Health Center, 1821 S. Webster Ave. in Green Bay, and at Prevea Health at Door County Medical Center, 323 S. 18th Ave. in Sturgeon Bay. Appointments at either location can be made by calling (920) 272-1610.

“I believe in a collaboration of care and take the time to provide choices for treatment,” said Dr. Gruber. “Working with each patient, I listen to understand how they would like to proceed with their care.”

Dr. Gruber earned her medical degree from Drexel University College of Medicine and completed a residency in neurology at Drexel University College of Medicine, Hahnemann University Hospital. She is certified by the American Board of Psychiatry and Neurology.
