**ELMSTAR ELECTRIC CORPORATION EARNS NATIONAL SAFETY AWARD FROM  
ASSOCIATE BUILDERS AND CONTRACTORS**

Kaukauna, WI - March 16— Elmstar Electric Corporation has earned a National Safety Merit Award from Associated Builders and Contractors (ABC), presented at the 31<sup>st</sup> annual Excellence in Construction<sup>®</sup> Awards during ABC Convention 2021 in Grapevine, Texas, on March 10.

The 2020 National Safety Excellence Award winners were selected from ABC member firms that achieved Diamond, Platinum, and Gold status in ABC's STEP Safety Management System in 2020. During the selection process, contractors were judged on self-evaluation scores, lost workday case rates, total recordable incident rates, leading indicator use, process and program innovations and, video interviews conducted by members of ABC's National Health and Safety Committee.

"Elmstar Electric Corporation is creating the conditions for its people to do their job well in a safe, healthy and mentally fit environment," said 2021 ABC National Chair of the Board of Directors Steve Klessig, vice president of architecture and engineering, Keller Inc., Kaukauna, Wisconsin. "A culture of both safety and total human health cannot exist without leadership choosing daily to not to compromise on safety, and ABC commends this safety leader in our industry for modeling this belief in every action."

The National Safety Excellence Awards are presented in three major North American Industry Classification System code categories: NAICS 236 – Construction of Buildings; NAICS 237 – Heavy and Civil Engineering Construction; and NAICS 238 – Specialty Trade Contractors.

STEP, the standard for developing world-class safety management systems in construction, is designed to help large and small contractors evaluate every aspect of their corporate safety and health programs and identify opportunities for improvement.

Carmen Fosick, President of Elmstar Electric Corporation, states, "We are committed to the safety of our employees. It is our responsibility to ensure that our workers get home safe from the jobsite every night. We are proud to receive this merit award."

Elmstar Electric Corporation, a family-owned business since 1979, is located at 800 Eastline Road in Kaukauna. For additional information, contact Carmen Fosick at 920-766-8100 or view [www.elmstar.com](http://www.elmstar.com).
