Spring Hours Return to NEW Zoo & Adventure Park

Spring is in the air and that means a change to the hours of operation at the NEW Zoo & Adventure Park. Starting Thursday, April 1st, the Zoo will be open daily from 9:00 a.m. to 6:00 p.m.

As temperatures climb, many of the zoo animals are reveling in the sunshine and enjoying the change in season. The warmer weather means that our temperature-sensitive animals, like the kookaburras, macaws, and albino alligator, will soon be making their way to their outdoor habitats. Guests can look forward to seeing the giraffes, Zuri and Nigel, enjoying their outdoor yards, as well.

With the arrival of spring also comes our annual EggStravaganZoo event, which takes place this year on Saturday, April 3rd. Limited tickets remain available for this fun affair, which features an all-new activity: The Great EggStravaganZoo Slither-hopper Count! Visit newzoo.org to learn more and purchase your tickets today.

The NEW Zoo continues to offer a safe, family-friendly experience, with plenty of room for social distancing and outdoor fun for all ages. Capacity remains limited and guests are encouraged to purchase tickets online in advance of your arrival.

At this time, the Adventure Park remains closed for the season, but staff are working hard to prepare the Park for reopening soon! Stay tuned to newzoo.org for details.
