

On May 8th, the Pulaski Community School District will be hosting the 15th Annual Goody: an adaptive duathlon for students with disabilities. In this race, students will be biking and running/walking a route in and around the village of Pulaski. We are thrilled that Pulaski is able to highlight our schools and community through this event.

One of the cornerstones of this event is to teach students about achieving a goal through training, goal setting, dedication, and hard work. As we prepare for our 2026 race, we are looking for community partners that share our values. We are hopeful that your business or organization will consider donating towards this event to help offset the cost. We also encourage as many schools as possible to participate. It is our goal to offer this event at zero cost to the athletes, their teammate mentors, and their support staff. A generous way to support the Goody is to donate money. Your donation will be used for customized race t-shirts, goody bags, awards, race expenses, and our celebration lunch. All of these items require financial contributions.

In appreciation of your donation, we would like to reward you as well. We have devised four different pledge packages. Please see the different levels below:
